

LoyaltyFi Legal Disclaimer

LoyaltyFi is a loyalty token management and exchange platform. The platform enables users to view, convert, and utilize loyalty points from participating brands and programs.

LoyaltyFi does not issue financial instruments, currency, or securities. All point-based transactions represent the conversion of promotional value between brand programs, and LoyaltyFi makes no guarantees regarding the monetary equivalence or marketability of these points.

Some jurisdictions may classify certain redemptions or point conversions (e.g., into gift cards, crypto, or fiat currency) as taxable events. It is the responsibility of the user to report such transactions as required under applicable local tax laws. LoyaltyFi does not provide tax advice or financial services and shall not be held liable for any tax consequences resulting from user transactions.

By using LoyaltyFi, you acknowledge that:

- You are solely responsible for determining your tax obligations.
- You may be required to submit identification or income documentation in accordance with applicable laws.
- LoyaltyFi reserves the right to request KYC/AML verification before allowing certain transactions.
